### LOCAL MENTION

Frank Brandon, Warren Farmer and J. R. Bolin were among the first to cross in the boat which was being used to ferry passengers across the Cimmaron at Arkalon. Mr. Brandon had been to Kansas City on a business trip, Mr. Farmer had been to Mountain View, Missouri and Mr. Bolin to Wichita.

Wednesday, A. L. Edison left for Dawson, New Mexico to attend to some business matters.

Owing to our shipment of ready print being some place between Wichita and Liberal we are mailing a six page paper this week but hope to be able to come out as usual next week. The war news and current events found in that part of the paper are unavoidably omitted.

Carpenters are busy making header barges to help in harvest which is expected in about forty days.

Keep in mind the Seward county Sunday school Convention, Saturday and Sunday, May 16th and 17th.

The Committee having charge of the Grand Sunday school parade Sunday, May 17th fully expect 1000 Sunday school people in line. Let us not disappoint them.

### Annual Dinner

The annual dinner given May 1 by the Womans Christian Temperance Union at the beautiful home of Mrs. J. B. Frisbie with Mrs. W. H. Vickers as hostess was a success in every particular notwithstanding the inclement weather.

Besides the elderly ladies in whose honor the dinner is always given the complimentary guests consisted of Liberal ministers and their wives, City Mayor and Council and enough of the W. C. T. U. ladies to prepare and serve a most delicious dinner and also to entertain. We served in all about fifty guests between 12 m. and 2 p. m. to one of the most bountiful and delicious repasts that it has yet been our privilege to offer during the dinner hours. Mrs. Grinstead, Mrs. Vickers and Miss Harris favored the guests with music. Although the rain decended the afternoon passed all too quickly in the singing of old songs, talking of old times and in remembering some dear sweet faces which have passed away during the last year.

Rev. Bolton kindly gave some readings which was appreciated by all. "Pollyanna" the glad book was reviewed by Mrs. Grinstead and discussed by different ones until we were all glad to have known Pollyanna.

We want as a society to here acknowledge the kindness of Mr. B. D. Creek, Mrs. Robert Hall and Mrs. R. T. Nichols who in inclement weather furnished the conveyances for the guests, also to Mrs. J. B. Frisbie who so graciously gave us the use of her entire home for the day. To all others who in any way contributed to the happiness of the occasion, we thank you.

Following are the names of the guest of honor: Anna Wood 74, Lena Crothers 70, Minerva Wheeler 65, Sarah Falls 66, Mary Le Monier 80, Elizabeth Linegar 85, Kate Neff 66, Elizabeth Smith 67, Mary Goode 76, Anna K. Vaughn 75, Sarah A. Delinger 87, Kate Hereth 71, Samantha Jane Black 78, Rebecca Candle 68, Elizabeth Holloway 81, Mary E. Williams 65, Sarah Marie Lane 78, Malinda Conrad 70, Mary G. McDermott 74.

### Entertained Seniors

Saturday evening, the High School junior class banqueted the Seniors of 1914 at the home Mr. and Mrs. H. H. Hobbie, who gave much time and spared no effort to help make the fifty guests, the seniors and High school faculty, welcome. Games and music whiled away the hours preceding 10:30 when the four course lunch was announced.

Before going to the dining room Miss Adah Malone read a class prophecy and Mr. Hobbie gave a warm welcome to each. After each course, toasts were given and responded to by Chas. Tucker, and Mildred Feather for the Seniors, Harold Sutton and Hugh Funk for the Juniors. F. O. Rindom and Vera Faucett for the faculty. All the speeches were good and that given by Mr. Rindom was especially good.

Six sophomore girls, Misses Margaret Etzold, Ruth Black, Leo Miller, Bess Hoekett, Flo Wimmer, and Temple Rines assisted by Miss Adah Hobbie served the lunch to the guests. One of the rooms was decorated in purple and gold, the senior colors, one in red and white, the junior colors and the rest were beautiful with pennants hung gracefull on the wall. At a late hour, the happy revelers left with a feeling of a pleasant regard for their hosts and hostesses and with a happy memory of the event which is already a part of their past.

### Clock Talk

In buying Clocks, the public regards the outward appearance or show that the case makes. Without giving proper thought to its mechanical perfection—the vital part of the clock.

Clocks that do not keep perfect time are an aggravation, and one that emits harsh grinding sounds in striking is grating on the nerves.

Our clocks are mechanically perfect, and are encased as elaborately as the prices asked will allow.

First, the Mechanism  
Second, the Appearance  
Third, the Price.

These three constitute a harmonious whole that makes it to your best interest to buy clocks here.
